

Minutes for November 18, 2020 PPNC Meeting. Submitted by Lorajane Kessler. Meeting held on Google Meet:

Attendance: Aaron and Lorajane Kessler, Ben and Dianne Adams, Mae Smith, Charlotte Darling, Pam Snyder, Dalreen Kessler, Mary Fowlkes and Silas Davidson

President Report: Aaron stated he renewed his USSA coaching certification and that maintenance on one of the ATV's had taken place.

VP Report: Mae stated that she is in the process of taking the class to obtain her coaching certification. She also noted that ski practices in Sheridan for both the Junior High and High School teams have begun.

Treasurer Report: Lj reported that PPN has \$10,955.70 in our checking account. She also informed Mae that our club would pay for her USSA Coaching Certification class and that receipts just need to be given. The yearly USSA renewal membership would need to be paid by her.

Secretary Report: Charlotte had nothing to currently report.

Trails Report: Mary indicated there were no reported volunteer hours or mileage for the month of October. Aaron stated that the trailer was taken up the mountain to Pole Creek with the grooming implements. Now just awaiting the snow to hopefully begin grooming one of these days. Ben and Dianne reported that Sheep Mountain Road and 449 did not have much snow. They did not get on the upper section, but that there was barely enough to snowshoe, walking was hazardous and that there was a low hanging tree that might need tending to. Finally, Aaron said he had not visited with Bert Mackie at the Golf Course, but intends to do so and will put up signs and groom when that time becomes available.

USFS Report: Nothing new to report to PPNC, will reach out to TNT about Willow Park expectations.

TNT Report: CJ sent a memo that they are just waiting for more snow at Willow Park and they plan to host Chili Fest and a Moonlight Ski in 2021.

Old Business: None

New Business: Aaron and Mae talked dates again for ski clinics. There was also extensive discussion about whether to host the 2021 PCC as a virtual event where people would race the course on their own and post their own times to receive prizes. Silas indicated that since we went to a five year agreement with the USFS we would always have to pay the permit fee no matter what, but that because of Covid the USFS might consider an exemption. The group

eventually decided to table a decision until the December meeting.
